GOVERNOR'S HOMEMADE MASK DRIVE PRESS RELEASE

FOR IMMEDIATE RELEASE: 4/27/20

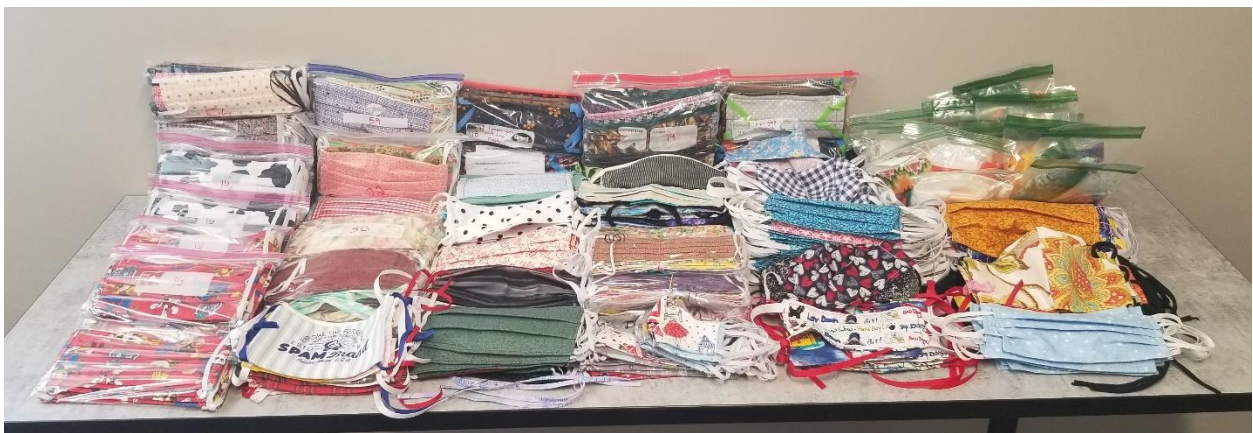

Homemade Mask Drive

Saturday, April 25 began the Governor's week long Homemade Mask Drive at fire departments. As of Monday, April 27, the Austin Fire Department had received a generous donation of 634 homemade masks from community members. Other fire departments within Mower County received numerous homemade mask donations.

These homemade masks will be distributed for use by workers and residents of local congregate living facilities in efforts to curb the spread of Covid-19 to those particularly at-risk individuals. Homemade masks will not replace personal protective equipment, however, will assist with protecting germs from infecting others.

These priceless donations are greatly appreciated and will assist with flattening the curve of Covid-19.

When a community comes together great things happen.
